

Symbol:	AX-903
Manufacturer:	AXIOMET

Product specifications

Type of tester:	non-contact metal and voltage detector
Kind of display used:	LCD
Detection:	detection of wood, metal and live wires up to the depth of 19mm
Dimensions:	180 x 67 x 38 mm
Weight:	180 g
Power supply:	1 battery 9V 6F22, set without battery

Measuring instrument features:

- automatic power-off
- optical (LED) and acoustic indication of detected voltage
- built-in classic and laser levels
- detectable materials: reinforcing steel, steel, wooden structures, live conductors
- reinforced enclosure
- 6-metre laser light line
- ergonomic case ensuring comfortable and precise operation
- function of autocalibration for metal and wood
- detection function
- level head rotated by 180° with laser indicators
- low battery indicator

Additional information

Gross weight:

0.261 kg
