

Symbol:	AX-CTG10
Manufacturer:	AXIOMET
Product groups:	Automotive meters

Product specifications

Type of tester:	coating thickness tester
Measuring range:	0,1...1250µm
Measurement accuracy:	±2% ±0,02mm
Body dimensions:	80 x 42 x 24 mm
Power supply:	1 battery 3V CR2032
Measuring instrument features:	<ul style="list-style-type: none">• automatic power-off• HOLD function• low battery indicator

Additional information

Gross weight:

0.268 kg
